The foundation on which it is built includes leadership and character development, sportsmanship, cooperation, community service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

The Wheatfield chapter has 65 members, including 2 members with State Farmer degrees, 44 members with Chapter Farmer degrees, and 19 members with Greenhand degrees.

Some of our major activities are slave auction, annual Parent and Son banquet, corn tour, cookout, State and National Conventions, Leadership camp, Land Laboratory, judging contests, Chapter Sweetheart Dance, Color Guard, and Vitality seed sales.

The 1966-1967 year for the Sunshine Society was again, as always, a very fulfilling adventure for those who participated. This was a very busy year for all of us, but we enjoyed every minute of it. We began our year with the initation of the new members on September 12. Nextwe honored our mothers at the Mother-Daughter Banquet. Our most thoughtful and kindest act for others was the distribution of the Thanksgiving Baskets. We enjoyed this most because we have the opportunity to make others happy, and we were rewarded with their happiness. Then we realized Christmas was just around the corner, and we presented our annual Christmas Dance--Winter Wonderland. At the end of the first semester we gave a breakfast for those students with a B or above average. Our last big event of the year was the Ideal Ladies Tea. We hope that someone has benefited from our ability to spread Sunshine and kindess into his life during 1966-67. We, as the members of the society, have been thoroughly inspired by the acts we have been able to perform for "Others."

The 1967 Arcus staff made a major change in policy in having the book ready for delivery before graduation. This necessitated the omission of some desirable copy, but does allow time for autographing before the end of school. La Vonne and her faithful typists, JoAnn and Cynthia, worked many after-school hours. Nick and Lynn dida fine job on sales and advertising. Jim Craig is responsible for the spectacular original art work. All who worked on the staff hope that you enjoy the 1967 Arcus.
